Dear Property Owner:

This is your official notice of the 2023 property appraisal for the account listed above. Harris Central Appraisal District (HCAD) appraises all of the property in Harris County for property tax purposes. Your county, city, school district, and other local governments use the appraisal in calculating your property taxes. Property taxes support critical services such as schools, police and fire protection, street maintenance, and many others.

By law, we must appraise property at market value. Market value is the price for which it would have sold on January 1 in the open market. You can find additional information about the reappraisal on our website at **www.hcad.org** and selecting Appraisal and then Reappraisal from the menu. If you have a homestead exemption and your 2023 market value increased by more than 10%, your 2023 appraised value may be less than the market value.

As of January 1, 2023, we appraised your property as shown below:

2023 Market Value: \$715,818

2023 Appraised Value: \$715,818

If you believe our market value appraisal is not accurate, you should file a protest with the Appraisal Review Board of Harris County. I have enclosed more information about the protest process with this letter. You can file until **May 15, 2023**, or 30 days after the date this letter was mailed, whichever is later.

I have also included a protest form, but the easiest way to protest is to file online at **www.hcad.org/iFile**, using the iFile number in the upper right corner of the page. You will need to create a user name and password if you have not already done so. After filing you may also wish to take advantage of our online settlement process, called iSettle™. You can find more information about iFile and iSettle™ at **www.hcad.org**. You may also request an informal conference with the appraisal office before your hearing on a protest if you wish to discuss a possible resolution without the necessity of a formal hearing.

Sincerely,

Roland Altinger, CAE, RPA, CTA

Chief Appraiser

Harris Central Appraisal District

Below you'll find a breakdown of your property's market value as of January 1. The governing body of each taxing unit decides whether or not taxes on the property will increase. The appraisal district only determines the value of your property. *The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials, and all inquiries concerning your taxes should be directed to those officials.* Beginning August 7th, visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

The percentage difference between the 2018 appraised value of your property and the proposed 2023 appraised value is 112%.

If you have an over-65 or disabled person's homestead exemption, your school taxes are "frozen." This means they can't increase above the amount you paid in the first year you received the exemption, unless you make improvements to your home. Normal repairs and maintenance are not considered improvements.

HCAD will only appraise the portion of the property that is in Harris County. If part of your property extends into another county, the appraisal district for the other county will appraise the portion located within its boundaries. The appraisal review board will begin hearing 2023 protests on May 8, 2023, at 13013 Northwest Fwy, Houston, Texas, 77040. Other hearings are conducted year round.

Please call our office at (713) 957-7800 if you have concerns or need more information. All calls are taken in the order received. You are always welcome to visit in person. You'll find a great deal of information, including videos, about the appraisal and protest process on our website. The address is www.hcad.org.

If you applied for and have been granted general residence (RES), over-65 (OVR), or disabled (DIS) homestead exemptions, they should appear in the appropriate columns. If they do not, contact us immediately.

In the event a protest or correction is filed on this account, we intend to use as part of our evidence any and all information included in this notice.
